Epoca Gold - Mobiliário Internacional, S.A. was born as a result of the evolution of a family-owned handmade furniture company, founded in 1947. José Rocha, the founder of the EPOCA® brand, runs the company together with his sons Luís Rocha and Diogo Rocha. This cooperation work raises their technical knowledge, combining them with an entrepreneurial vision, and, in this way, attributes great adaptability to the demands and preferences of the heterogeneous and multicultural client in their different projects, national and international.

With an area of 15000m², the EPOCA's complex has the best conditions not only for the manufacture of furniture but also for the reception of the customers. There is a Showroom specially designed and prepared to host all the projects: from the conception until its analysis and visualization.

Epoca - Home, Palace & Hotel Concept is one of the most respected luxury furniture producers, specializing in Contract, Hospitality, bespoke and FF&E.

With excellent service and highly customized products, it introduces personalized features in the parts that make them unique, but which can also be produced on a large scale with extremely competitive lead time and with unparalleled quality. Our day-to-day and client-to-client mission is: TO BE YOUR PROJECT PARTNER "If you can dream, Epoca can do it!"

Epoca Gold – Mobiliário Internacional, S.A. nasceu como consequência da evolução de uma empresa familiar de móveis artesanais, fundada em 1947. José Rocha, o fundador da marca EPOCA®, gere a empresa junto com seus filhos Luís Rocha e Diogo Rocha. Esse trabalho de cooperação eleva seus conhecimentos técnicos conjugando-os com uma visão empreendedora, e, dessa forma, atribui uma grande adaptabilidade às demandas e preferências do cliente heterogêneo e multicultural em seus diferentes projetos, nacionais e internacionais.

Com uma área de 15000m², tem as melhores condições para a fabricação dos seus móveis e também para a recepção de seus clientes para um showroom projetado especialmente para visualização e análise de projetos.

Epoca - Home, Palace & Hotel Concept é das mais conceituadas empresas de produtores de mobiliário de luxo, especializados em Contract, Hospitality, bespoke e FF&E.

Com um serviço de excelência e produto altamente customizado, introduz características personalizadas nas peças que as tornam únicas, mas que podem também ser produzidas em grande escala com um lead time extremamente competitivo e com uma qualidade inigualável. A nossa missão dia-a-dia e cliente a cliente é: TO BE YOUR PROJECT PARTNER "If you can dream, Epoca can do it!"

Epoca Gold - Mobiliário Internacional, S.A. est née suite à l'évolution d'une entreprise familiale de meubles faits à la main, fondée en 1947.

José Rocha, le fondateur de la marque EPOCA®, dirige l'entreprise avec ses fils, Luís Rocha et Diogo Rocha. Ce travail de coopération élève leurs connaissances techniques, les associe à une vision entrepreneuriale, et confère ainsi une grande adaptabilité aux demandes et préférences du client hétérogène et multiculturel dans leurs différents projets, nationaux et internationaux.

D'une superficie de 15 000 m², le complexe EPOCA dispose des meilleures conditions, non seulement pour la fabrication de meubles, mais aussi pour l'accueil des clients. Il existe un Showroom spécialement conçu et préparé pour accueillir tous les projets: de la conception jusqu'à son analyse et sa visualisation.

Epoca - Home, Palace & Hotel Concept est l'un des fabricants de meubles de luxe les plus respectés, spécialisé dans le Contract, l'Hôtellerie, le sur-mesure et FF&E.

Avec un excellent service et des produits hautement customisés, nos pièces présentent des caractéristiques personnalisées qui les rendent uniques, mais qui peuvent également être produites à grande échelle avec des délais extrêmement compétitifs et une qualité inégalée. Notre mission au quotidien et de client à client est : ÊTRE LE PARTENAIRE DE VOTRE PROJET « Si vous pouvez rêver, Epoca peut le faire !»
